## PROFILE

### STRATEGY | IDEATION | CREATIVE THINKING

These are my strengths - adding value with diverse experience and adaptability.

## EXPERIENCE

### Consultant | Growability™ | 2018-Present

Launching Business as Mission (BAM) initiative for Growability in Asia. Growability provides business and nonprofit leaders with the teaching, training and tools necessary to cultivate health and accelerate growth.

### Consultant | The Leadership Development Group | 2017-Present

Consultant services with leaders working cross-culturally. After a thorough assessment, coaching clients to improve self awareness, increase strengths, and hone ability to lead across cultures. Current clients in Vietnam, Mongolia, and Tanzania.

### Partnership Director | World Relief | 2014-Present

Responsible for relationship management and fundraising for international community development. Annually increased year-to-year portfolio value by over 150%. Understands both the technical and relational sides of fundraising, including the critical nature of moves management, complex solution selling, pipeline development, and record keeping as related to managing complex relationships.

### International Development | CAMA Services Mongolia | 2006-2014

Initiated the current CAMA work in the capital city of Ulaanbaatar, began The Grain of Wheat Student Center, which has grown to be a significant point of outreach in Mongolia's urban center. Served as IT and communications director with an array of responsibilities, including webmaster, content editor, photographer/videographer, communication with partners through e-newsletters, video podcasts and social media.

### Interim Senior Pastor | Cornerstone Church of All Nations | 2009-2014

Planted and served as interim pastor of Cornerstone Church of All Nations in Ulaanbaatar, Mongolia. Chaired the multi-national steering committee and was responsible for the weekly preaching and worship, outreach, communication and general oversight.

### Senior Pastor | Faith Community Church, Franklin, TN | 1993-2006

Began as redevelopment. Became a healthy and thriving congregation.
